PT.Aditya Andhika Utama was Founded By Mr.Tatang Supriadi on May 26, 1994. With the experience he gained while working in trucking management, he had the confidence to start his own business.

The name Aditya Andhika Utama was chosen based on the names of his sons, **Aditya** Putra Pratama and **Andhika** Putra Prasetya, who are the most important part of his life.

Starting with just one Mitsubishi FM 215 H Truck, he successfully grew the company, which now owns more than 50 trailer trucks. These assets enable the company to serve customers' export, import, and cargo transportation needs across a wide area, including Sumatra, Java, Bali, and Lombok
